Continuation of Attachment(s) 9. Other: The information disclosure statement filed 08/02/2004 fails to fully comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. The non-complying information not being considered.. It is acknowledged that applicants indicate that the listed references were made of record in parent U. S. Application No. 09/125,963. However, inspection of the parent applications has revealed that the indicated non-complying references are not of record in the parent application. Copies of the non-complying references have not been provided.
